

Environmental Assessments, Remediation, and Restoration

- Phase I & Phase II Environmental Site Assessments (ESAs)
- Site Investigations & Contamination Assessments
- Brownfields Investigations & Redevelopment
- Remedial Investigations/Feasibility Studies (RI/FS)
- Remedial Action Plans (RAPs) & Cost Estimates
- Remedial System Design, Installation, Operation and Maintenance (O&M)
- Emergency Spill Response & Source Removals
- Sediment & Geotechnical Sampling Programs
- Civil & Environmental Construction

NEPA & Natural Resources

- Environmental Impact Statements (EIS) and Environmental Assessments (EAs)
- Biological Assessments (BAs) and Habitat Conservation Plans (HCPs)
- Wetlands Delineation, Permitting, & Mitigation
- Threatened & Endangered (T&E) Species Surveys & Habitat Mapping
- Integrated Natural Resource Management Plans (INRMPs)
- Biological & Turbidity Monitoring
- Marine Species Monitoring
- Utilities & Pipeline Route Assessments

Cultural Resource Assessments & Evaluations

- National Historic Preservation Act (NHPA) Section 106 Compliance Support
- Phase I Cultural Resource Assessment Surveys
- Phase II Archeological Testing & Evaluations
- Archeological Laboratory Analysis & Curation Deliverable Services
- Lidar & Ground Penetrating Radar (GSSI UtilityScan) Device Operation/Support
- Identification, Evaluation, & Documentation of Traditional Cultural Properties (TCPs)
- Historic Building Surveys
- Integrated Cultural Resource Management Plans (ICRMPs)

Native American Coordination & Tribal Engagement

- Meeting Facilitation for Tribal Consultation
- Tribal Engagement Planning & Facilitation
- Native American Cultural Awareness & Competency Training
- Tribal Monitor Services & Training
- Historical Context/Connection Reporting

Environmental Compliance, Engineering, Permitting, & Monitoring

- Stormwater (NPDES) Management Plans, Permitting, and Monitoring
- Spill Prevention Control & Countermeasure (SPCC) Plans
- Waste Management & Recycling Plans
- Emergency Planning & Community Right-To-Know Act (EPCRA) Reporting
- Pollution Prevention (P2) Plans
- Storage Tank Management & Compliance
- Water-Wastewater Engineering & Construction
- Dredge Readiness Operational Plans
- Section 103 Sampling & Permitting
- Joint Coastal Permitting

Wildland Fire Consulting

- Wildlife Management Plans
- Hazard Assessments
- Timber Management & Inventories
- Training & Evaluation
- Prescribed Fire Planning & Preparation

Industrial Hygiene, Asbestos, Lead-Based Paint and Mold

- Asbestos Surveys & Abatement Monitoring
- Lead-Based Paint (LBP) Surveys, Risk Assessment, and Abatement Monitoring
- Mold Assessments & Remediation
- Indoor Air Quality Investigations
- Health & Safety Program Development & Compliance Auditing
